

PEOPLE'S FORUM

GENEROUS OFFER

Winchester, Ky., Feb. 26.
To the Editor of The News:
There has been great agitation concerning the double tracking of the L. & N. railroad between Paris and Winchester and the extension of the L. & N. from Winchester to Irvine. Now, I have always been for all internal improvement. I will vote now or anytime for any improvement that will give one hundred men ten days' work, or ten men one hundred days' work. 'Twas Franklin, I believe, who said: "If you want a thing done, send; if you want it done right, pay." Now I believe the extension of the

L. & N. to Irvine would mean much to Winchester and I will subscribe one hundred dollars toward buying the right-of-way from Winchester to the line of Estill county. I am poor and needy, but I feel like doing that much for Winchester and Clark county, and believe less than twenty-five thousand dollars will buy the right-of-way. Now, if we want it let's go after it.

Yours for Winchester,
H. D. COLERANE

CONFEDERATE CELEBRATION

High Honor is Paid And Brigadier Charles Irvine Walker, of Charleston, S. C., Who Visits Macon.

Macon, Ga., Feb. 27.—With band playing "Dixie," with the red flare of torches on their faces Sons of Confederate Veterans and the Confederate Veterans of Macon Friday night with a big parade and rally paid tribute to Brigadier Charles Irvine Walker, of Charleston, S. C., Commander-in-Chief of the United Confederate Veterans. It was a fitting demonstration to the head of a great organization and General Walker appreciated it, as was evidenced by a stirring address made later at the City Auditorium.

The streets were thronged with people. Automobiles and carriages flanked the line of march up Cherry street from the Chamber of Commerce. Cheer after cheer rent the air as sons of men who wore the gray passed by, bearing flaming red torches.

The speaking at the auditorium was held under the auspices of Thomas Hademan Camp U. S. C. V. and the whole affair was in the nature of a "booster" rally. This camp is trying to raise its membership to 1,000 and from all indications the effort will be crowned with success, as new members are being added daily.

General Walker arrived at Macon at 11:15 o'clock over the Georgia railroad and was met at the depot by a delegation from the general reunion committee composed of W. T. Anderson, Col. R. A. Nesbit, J. W. Wilcox and Major J. A. Thomas. He was taken to the Hotel Lanier and at luncheon was the guest of Mrs. W. D. Lamar, President Georgia Division of the United Daughters of the Confederacy. Several ladies identified with the Reunion work were asked by Mrs. Lamar to be present with the gentleman accompanying General Walker and many topics attendant upon the work of the ladies were discussed.

In the afternoon General Walker was taken to Central City Park and the site of the encampment was gone over. General Walker expressed himself as much pleased with everything which he saw. He remained two days in Macon.

HOW COLD AFFECTS

THE KIDNEYS.

Avoid taking cold if your kidneys are sensitive. Cold congests the kidneys, throws too much work upon them, and weakens their action. Serious kidney trouble and even Bright's disease may result. Strengthen your kidneys, get rid of the pain and soreness, build them up by the timely use of Foley Kidney Pills. They will cure any case of kidney or bladder trouble not beyond the reach of medicine. No medicine can do more.

SCHOBERTH IS ILL AND DOCTORS FEAR TYPHOID

He Has Made No Announcement of Change of His Plans to Run For Congress.

Versailles, Ky., Feb. 27.—Representative Harry A. Schoborth, of Woodford county, who last week announced as a candidate for the Democratic nomination for Congressman from the Seventh District, against Congressman J. Campbell Cantrill, is ill at a local hospital, and his physicians fear typhoid fever will develop, as his symptoms point to that disease.

Late Monday night M. Schoborth was resting well, but had given out no statement relative to his candidacy for Congressman.

Attending physicians reported his temperature hit one time Monday as 104 degrees and said he probably would be confined to his bed two or three weeks.

Despite his serious illness at this time, within three weeks of the time set for the Democratic Congressional primary, friends of Mr. Schoborth Monday declared he would not withdraw from the race, even should he not recover in time to push his candidacy.

Early symptoms in Mr. Schoborth's illness were those of pneumonia, but the physicians Monday dispelled all fear of that and said typhoid fever alone is now feared.
